

Master Choa Kok Sui Spiritual Essence of Man

Ancient Symbols Revealed

The Kabbalah, Tree of Life, The Cross, The Chakras & more

How relevant and timely is ancient mysticism in addressing the spiritual malaise of modern man?

Can it resurrect awareness of his true inner self?

As the world reels feverishly from socio-economic and political turmoil, Master Choa Kok Sui draws from the wellspring of the Tree of Life. With incisive simplicity, he offers very practical and in many instances, provocative answers to the seemingly complex problems of our time.

This Spiritual Essence of Man breathes life into the spiritual dimensions of wealth, sex, war, alchemy and other mundane preoccupations. These teachings are infused with an amazing fresh perspective that may yet restructure if not alter, the paradigm of many global leaders, politicians, businessmen, religious people and just about anybody sincerely searching for a more balanced mode of existence.

Set against a multi-cultural backdrop are the synthesis of various esoteric systems. The Chakras, the Sephiroth, the Triple Cross and other symbols are like pearls of wisdom beautifully strung together, bestowing to the ardent seeker a most effective strategy for living a blessed life. The Tree of Life is an alternative path towards reclaiming and redeeming spirituality.
